

Product Type: **Wall Mounted Head Shower**
 Product Code: **E044199**
 Product Name: **Smart Dual Flow**
 Description: Soffione a parete
Wall Mounted Head Shower
 Dimensions: 537 x 165 mm
 Material: Acciaio 316 | 316 Stainless Steel

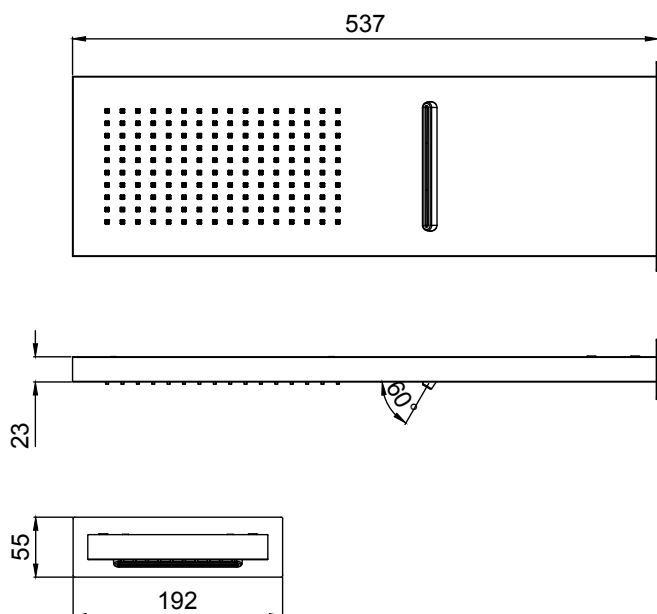

Note: connessioni | *connections* **G1/2" / NPT**
 Notes: **kit di connessione incluso** | *and connection kit included*
completamente ispezionabile | *completely inspectionable*

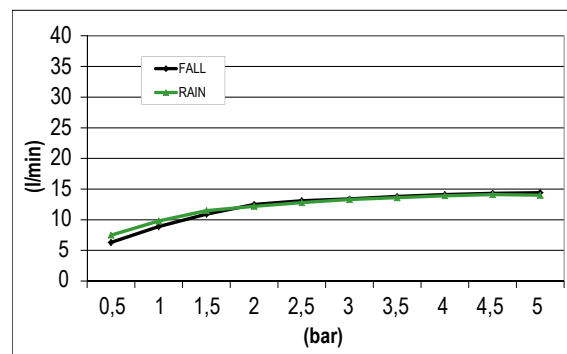

Functions:  1 Way |  Rain |  Cascade

Finishes: **Stainless Steel**  **316 AISI** | **316 PVD Brushed**
 High Brass **316 HB** |  Copper **316 CO** |  Gun Metal **316 GM** |  Absolute Black **316 AB**

DIMENSIONS

FLOWRATE

MIN: 1 bar | MAX: 5 bar | BEST: 3 bar

PRODUCT CARE

To avoid damages to the purchased equipment, please observe the following recommendations for use:

- Clean the plumbing before connecting the device.
- Periodically clean the water blade to avoid any limestone deposits that could compromise the good functioning.

Advice: The installation of a filter and water-softener system improves and extends the life of the devices and of the plant itself.

CLEANING OF METAL PARTS:

For an easy cleaning of the metal parts of the product, simply use a soft cloth moistened in water and soap or an anti-limestone detergent.

To avoid spots caused by calcium in water, we advise drying with a cloth after each use.

Advice: Please use only natural soap-based detergents avoiding those with alcohol, hydrochloric acid or phosphoric acid, bleach, chlorine etc. and those containing abrasive powders.
